To vote in elections you need to be on the electoral register. We publish a revised register on 1 December which is available at the Council Offices in Leamington Spa for you to check if your name has been included. If for some reason you have been missed off the register, contact us immediately.

Who can register to vote?

Age - You must be 18 or older to vote.

Nationality - People who are entitled to register to vote are:

- British Citizens
- Citizens of the Irish Republic
- Citizens of other European Union countries. EU citizens will be registered as local government electors only (except citizens of Cyprus, Malta or the Irish Republic, who can vote at all elections).
- Qualifying Commonwealth citizens who have leave to enter or remain in the UK or do not require such leave.

What are the Full and Edited register? – We publish 2 versions of the Electoral Register, the full register and the edited register.

The full register lists the name and address of everyone who is registered to vote. The council holds a copy. Anyone can look at it, but it is a criminal offence to supply or use copies for purposes other than those set down in law. More information is available at www.aboutmyvote.co.uk.

The main use of the full register is to show who can vote in elections and referendums. Credit reference agencies can use it, but only to check your name and address if you are applying for credit and for other purposes specified in law. It can be used for law enforcement.

The edited register is available for general sale and can be used for any purpose. The edited register can be bought by any person, company or organisation and can be used for commercial activities such as marketing. ***If you want to opt out of having your details appear on the edited register please contact the Elections Office immediately to let us know.***
