

GREGYNOG SEMINAR

The Gregynog Seminar begins with dinner at 7.00p.m. on Sunday, May 7th. and ends with lunch at 1.00p.m. on Tuesday, May 9th. It would be helpful for catering purposes if you could let me know if you will miss any meals, including the initial dinner and the last lunch.

I enclose a little brochure on Gregynog, which we hope you will find interesting. Please note that the voltage at Gregynog is 110 D.C.

I am enclosing a map. It shows you how to get to Gregynog. If you are coming by train, the farthest you can get on a Sunday is Shrewsbury. Please let me know as soon as possible if and when you want to be met by car at Shrewsbury. A suitable train from London would seem to be the 13.45 from Euston, changing at Wolverhampton and arriving at Shrewsbury at 16.51.

Ann F. S. Mitchell.
